

**HERITAGE ACADEMY  
EMERGENCY BOARD MEETING AGENDA  
Location: 500 South Lincoln Jerome, Idaho  
7:00 am February 10, 2017**

VISION

As a community of children, families, and educators, Heritage Academy believes that each individual has gifts, talents, and strengths. Our commitment to academic excellence will ensure that all students acquire the meta-cognitive skills and knowledge necessary to reach their highest potential and become responsible, respectful, and caring members of society. We will accomplish this by establishing high expectations, integrating enriched learning strategies for all students, and by promoting home, school and community partnership.

MISSION

Using the School-Wide Enrichment Model, Heritage Academy will educate students, leading them to develop meta-cognitive skills. In a safe and respectful environment, these skills will allow them to learn how to organize information and solve real-life problems. Our students will graduate with skills in both the core content areas and in critical thinking that will lead to success in school, in the workforce, and in the community.
