

**HERITAGE ACADEMY
SPECIAL MEETING BOARD MINUTES
Location: 500 So. Lincoln, Jerome ID
August 24, 2016 6:30PM**

VISION

As a community of children, families, and educators, Heritage Academy believes that each individual has gifts, talents, and strengths. Our commitment to academic excellence will ensure that all students acquire the meta-cognitive skills and knowledge necessary to reach their highest potential and become responsible, respectful, and caring members of society. We will accomplish this by establishing high expectations, integrating enriched learning strategies for all students, and by promoting home, school and community partnership.

MISSION

Using the School-Wide Enrichment Model, Heritage Academy will educate students, leading them to develop meta-cognitive skills. In a safe and respectful environment, these skills will allow them to learn how to organize information and solve real-life problems. Our students will graduate with skills in both the core content areas and in critical thinking that will lead to success in school, in the workforce, and in the community.

This session is a public session for the purpose of conducting Heritage Academy business; patron comment time will be provided for in accordance with the established agenda.
